DIRECTOR'S BIOGRAPHY

Marilyn Olsen Whipple

Director

Marilyn is thrilled to be occupying the directors chair again for this beloved classic. She was last seen on stage at Heritage in "A Christmas Carol" as Mrs. Mops. Charged with convincing an audience that there really is a Santa Claus, she could not have done it without a talented cast and crew.

She is grateful for their hard work, support and for believing in the "Claus". She would like to thank her family for their constant love and support. She believes in Santa and hopes you will enjoy the show.

DIRECTOR'S NOTE

The legend of Kris Kringle (a.k.a. Santa Claus, St. Nicholas or just Santa) has been around for hundreds of years. Imagine if you will that there really is a kindly, old man who spends his time spreading good cheer and bringing gifts to one and all. Who wouldn't want to believe in this wonderful person? As we learn in "Miracle on 34th Street," not everyone is a believer. "Miracle on 34th Street" is a story as old as time where bad guys try to convince everyone that there really isn't a Santa Claus. But like all great stories, good does triumph in the end and we all come to know the truth...yes, there really is a Santa Claus. As for the cast and crew of Miracle on 34th Street...we believe. As a cast and crew we wish all of you a Merry Christmas.

Sincerely,
Marilyn Olsen Whipple
